This running practice is more tiring than that in the game...

Not to mention that I had boys to support me...

I wonder what Merlin is doing now.

Does Kai still talking nonstop?
Who are his victims?

Is she on best behaviour?

Is Sir Lancelot familiar with the new environement?

And ——

Arthur

is going to be a true knight.

Without my existence,

Is everyone doing well in that virtual world?

LIN LING, WHAT'S WRONG? KEEP RUNNING!

AH, OK...

AH, GUO TING, WHAT DID YOU SAY TO MY MOM? WHY DID SHE AGREE WITH YOU?

WHAT I SAID WAS IF YOU WON, YOU WOULD GET BONUS POINTS IN YOUR TEST!

HUH? HOW COULD YOU THINK SUCH A REASON?

YOU'RE GOOD. YOU REALLY HIT MY MOM'S WEAKNESS.

HAHAHA, AREN'T YOU GOING TO RUN?

WE CAN'T LET OUR CLASS LOSE THIS TIME!

Either Arthur or Merlin... They're not real....

But my friend in front of me is... real.

It's just when I think about I'm not going to see them again, I feel a little bit sad...
